**Mission:** To be an ambassador for spreading authentic knowledge on the greatness embedded in our temples and other heritage monuments.

- An author of the book 'The Invincible Somnath Temple'.
- A passionate Indologist associated with the G20 2023 events in showcasing the great heritage of India to the delegates of G20.
- Was a lead in setting up of Somnath Trust museum based on the artifacts of the previous Somnath temples.
- Presented several papers on Indology both at the prestigious International and National level conferences.
- A Marketing professional turned HR Advisor, I am always been passionate about the history and symbolism behind religious rites and rituals.
- An alumnus of Jamnalal Bajaj Institute of Management Studies, I advise some leading technology companies on HR recruitment.
- My interests include Indology (Study of Ancient Indian History, Archaeology, Numismatics, Iconography), and writing.
- Proficient in English, Hindi, Marathi, and Gujarati, has published several articles on Indology in all four languages.
- A certified teacher of Brahmavidya (Ancient Indian Yogic science), I regularly conducts workshops in English.
- A long-time Vegan who leads a compassionate lifestyle.
